

LEADERSHIP EXCELLENCE IN ACQUISITION PROGRAM

Today's acquisition professionals need to combine technical execution with strong leadership skills to achieve agency missions. The Partnership's *Leadership Excellence in Acquisition Program* is an opportunity for exceptional mid-level acquisition professionals to strengthen their management and business skills while building lasting interagency relationships.

OVERVIEW

Addressing a need identified by the Office of Federal Procurement Policy, the *Leadership Excellence in Acquisition Program* strengthens the leadership skills of federal acquisition professionals through a combination of innovative coursework, peer collaboration, best practice benchmarking and facilitated dialogue with industry leaders. During the 9-month program, participants learn how executive communication, strategic thinking and stakeholder engagement play a critical role in leading agency operations.

Results

- **100%** of graduates feel that they are better leaders as a result of the LEAP program.
- **96%** of participants have applied program lessons to the betterment of themselves, their peers and their organization.
- **94%** of supervisors surveyed indicated that LEAP has had a positive impact on the effectiveness of acquisition operations in their office.

Program Benefits

- Develop skills needed to excel in the federal acquisition profession
- Engage with subject-matter experts from the public, private and nonprofit sectors
- Participate in capstone projects to reinforce lessons learned
- Become eligible to earn Continuous Learning Points (CLPs) upon completion of the program
- Join the Partnership's Leadership Alumni Network
- Gain access to resources, information and best practices from agencies across government
